As a civil engineering student, I'm passionate about sustainability and architecture, with a current focus on urban microclimates and strategies to mitigate the UHI effect. Guided by strong morals, I welcome guidance and feedback to learn and grow. I'm a proactive problem-solver who strives to deliver my best, driven by a thirst for knowledge and self-improvement, even in the face of unfamiliar challenges.

Guatemalan LinkedIn Portfolio a_javier12

Education

National Taiwan University

Bachelor's Degree - Civil Engineering
2022-2026

GPA: 3.7

Awardee of MOFA Taiwan Scholarship

National Taiwan Normal University Mandarin Training Center

Mandarin (Chinese) Language
2021-2022

Awardee of MOFA Taiwan Scholarship

Work Experience

Intern - TL Architects / DL Design

June 2025 - August 2025

I developed exterior facades and tile layouts, created a detailed pet park with full amenities. Utilized SketchUp for 3D modeling and AutoCAD for technical drawings, interpreting architectural and structural plans to accurately integrate columns, beams, and spatial dimensions.

Customer Service Representative - Alorica

October 2020 - January 2021

As a Tier-2 agent I offered technical assistance, enhanced my communication skills and sharpened my problem-solving abilities and adaptability, which I am eager to apply in my future career, recognizing their importance in any professional environment.

Languages

- Spanish - Native

教育

國立台灣大學

學士學位 - 土木工程
2022-2026

GPA: 3.7

國立師範大學 國語教學中心

中文語言
2021-2022

工作經驗

實習生 - 朵力設計/林明娥建築師事務所

6月 2025 - 8月 2025

我設計了外觀和瓷磚佈局，並創建了一個設施齊全的寵物公園。我使用SketchUp進行3D建模，使用AutoCAD進行技術繪圖，解讀建築和結構平面圖，以精確整合柱、樑和空間尺寸。

客戶服務代表 - Alorica

9月 2020 - 1月 2021

作為二級代理，我提供技術援助，增強了我的溝通技巧，提高了我解決問題的能力和適應能力，我渴望在未來的職業生涯中運用這些能力，因為我認識到它們在任何專業環境中的重要性。
